

IMPORTANT SHIPPING AND CUSTOMS INFORMATION

When shipping your booth materials to the Show you have two options:

1. Use Expo Express Global Events Logistics. You may ship to the Advance Receiving Warehouse (recommended), or direct to Show site with the official shipping and customs contractor – Expo Express Global Event Logistics. For more information on the benefits of using Expo Express, please refer to the following Shipping & Customs Information.

2. Use your own freight carrier. If you are not utilizing the services of Expo Express you may ship directly to Show site. Shipments to Show site will only be accepted during your designated time slot. Please refer to the **Inbound Freight Target Schedule** found in **Exhibitor Move-In & Move-Out** for the time your carrier has been assigned for unloading. All shipments direct to Show site must be consigned and labeled as follows:

2024 Smart Energy Halifax
Booth Number
The Westin Nova Scotia
1181 Hollis Street
Halifax, NS,
Canada B3H 2P6

DOCUMENTATION

Please find the following documents in the Shipping & Customs Order Forms under **Equipment & Services Order Forms**.

- 1) Blank Customs Invoice
- 2) CUSMA Form
- 3) Expo Express Order Form
- 4) Cost Estimate Sheet

We require that you complete the Customs Invoice, CUSMA Certificate (U.S. & Mexican exhibitors only) and the Expo Express order form. Please email copies of these documents along with your waybill to our office prior to shipment at andrew@expoexpress.ca

Give-away articles and advertising materials are subject to full duties and taxes upon importation into Canada as they are not allowed to enter under the provisions of the temporary importation regulations.

Special note to U.S. & Mexican Exhibitors

Canada-United States-Mexico Agreement (CUSMA) Form should be completed to cover all giveaway or re-sale items manufactured in either the United States or Mexico. This will allow for duty free entry on most of these items. This does not exempt the goods from payment of the 5% G.S.T.

OUTBOUND SHIPPING AT CLOSE OF SHOW

Expo Express Global Event Logistics will prepare all required documentation for the export of your goods from Canada. Expo Express must be notified if you require U.S. Customs clearance by a specific broker. Any goods that remain in Canada that were entered under the temporary importation regulations will be entered on a consumption entry and the exhibitor is responsible for all duties and taxes assessed by Canada Customs.

Under no circumstances are any goods that were entered into Canada under the provisions of the temporary importation regulations to be removed from the exhibition site without the permission of our company. Any and all goods removed without permission will be subject to full duties and taxes.

Special note to U.S. Exhibitors

The FCC and FDA regulates the importation or re-importation of items which emit radio frequencies (televisions, radios, computers, communications equipment). An FCC & FDA form must be completed in order for these items to be re-imported into the United States. Our representatives will determine whether you require these forms prior to the exportation of your goods from show site and will assist you in the completion of same.

Any items made of textiles will require a Textile Declaration to allow the goods to be re-imported into the United States. Our representatives will determine whether you require this form and will assist you in the completion of same.

Expo Express. will provide the exhibitors utilizing us with outbound shipping labels. It is the exhibitor's responsibility to ensure that the goods are packed and labeled. Previous shipping labels must be removed. Expo Express accepts no responsibility for misdirected shipments due to old shipping labels.

Exhibitors using Expo Express. for the return shipment of their materials must pack and label all goods. Please leave the goods in your booth space and our staff will ensure that they are removed from show site by the appropriate carrier.

Exhibitor using Expo Express Global Event Logistics for outbound freight shipments are guaranteed no waiting time charges at show site. This does not include if you are using us for customs and your own carrier
